

# UWB HACKS 2026

# The Future

Support Us in Fueling the  
Future of Innovation!

April 24 - 26, 2026 | University of Washington Bothell

## About UWB Hacks The Future

The UWB Hacks team is proud to hold UWB Hacks for our **10th year!**

UWB Hacks is a 36-hour hackathon hosted by the on-campus ACM club University of Washington Bothell (UWB). It is the **largest hackathon on the UWB campus**, and is **one of the largest in Washington State**.

## UWB Hacks 2025: Snapshot

- **300+** Hackers
- **85+** projects submitted
- **\$9,000** in prizes
- **11+** participating institutions

## Why Sponsor?

- **Connect directly** with **top student engineers, designers, and innovators** across Washington State
- **Gain strong brand presence** in a large, diverse, inclusive tech community
- **Build long-term relationships** with the UW and emerging talent
- Your support funds **prizes, operations, food, merch, and learning resources** that will help us go above and beyond for our hackers!

## Sponsor Packages
